EduCare® Part of tes

Suicide Awareness and Prevention

This course reports the facts about suicide and suicidal thoughts in young people and explains the warning signs to look out for. It will help you to talk to children and young people and looks at how to promote a suicide-safe approach in your setting.

Key features

- One module with a multiple-choice questionnaire
- One CPD credit*
- Optional narration of the course module and questionnaire for accessibility
- Personalised downloadable certificate
- 70% pass mark
- Printable module for future reference

*1 CPD credit equals up to 1 hour of learning

Course content

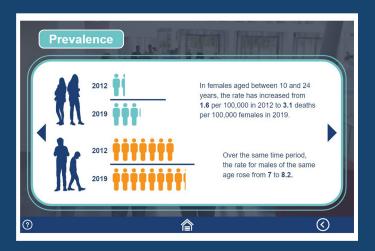

The course covers:

- Facts about suicide and suicidal thoughts in young people.
- Prevalence of suicide and the supporting statistics.
- Warning signs that indicate a young person may be experiencing suicidal thoughts.
- How to talk about suicide to the young people with whom you work.

- Understanding the effects of suicide on a young person.
- Working to develop a suicide-safe environment, to reduce the risk of suicide in young people.
- A case study which follows a child's experience of suicide.
- Practical advice and support available for young people.

This course is suitable for

The course is suitable for anyone working with young people in secondary schools, colleges and higher education.

Key features

- Visually engaging and interactive.
- Answer explanations for those who achieve the pass mark.
- Additional resources to expand learning including a scenario to follow, and links to relevant legislation and guidance.

Why choose us?

EduCare provides a clear and simple mechanism to train staff in a variety of crucial and mandatory areas. Staff numbers continue to grow and time to deliver training face-to-face is becoming ever scarcer due to increased legislation.
